

Blueball Resume v2.0 Sandvox 2 Designs

Version Release Notes

Version 2.0 - Released 04-25-13

Major update made to all the Blueball Resume designs includes:

- Updated all existing Resume designs for Sandvox 2. Included all Sandvox 2 features.
- Completely rebuilt and recoded all Resume designs main.css files.
- Added in new hierarchical nav menu sub levels for Sandvox 2.
- Updated all Resume designs plist files to make them compatible with Sandvox 2. This will require you to reapply the Resume design you have been using again to your site file the first time you open it up in Sandvox 2.
- Updated 3 Blueball Resume readme pdf files.

Version 1.0 - Released 08-29-09

- GM release of Blueball Resume Designs Bundle for Sandvox 1.5

If you have any questions or find any bugs with any of these Sandvox designs, please email us at themesupport@blueballdesign.com so we can get them corrected.

Your continued support of our Sandvox Design development efforts for Sandvox is greatly appreciated. We strive to provide you with the highest quality Sandvox designs available. If you can see anything we can do to make your experience with our designs better, please email us your suggestions and comments using our contact form page.

Best,
Charlie
