

Blueball Snapshot v5.0 Sandvox 2 Designs

Version Release Notes

Version 5.0 - Released 04-15-13

Major update made to all the Blueball Snapshot designs includes:

- Updated all existing Snapshot designs for Sandvox 2. Included all Sandvox 2 features.
- Completely rebuilt and recoded all Snapshot designs main.css files.
- Added in new hierarchical nav menu sub levels for Sandvox 2.
- Updated all Snapshot designs plist files to make them compatible with Sandvox 2. This will require you to reapply the Snapshot design you have been using again to your site file the first time you open it up in Sandvox 2.
- Updated 3 Blueball Snapshot readme pdf files.

Version 4.0 - Released 03-31-10

- Updated main.css file. Removed and added in new css code for image positioning. Also updated several other css divs for better positioning of elements in overall design layout.
- Updated plist file.
- Updated License and Credits files.

Version 3.0 - Released 06-17-09

- Updated main.css file with new #page-bottom-contents Sandvox 1.6 div.
- Removed width on body div in main.css file to fix IE6 centering alignment display issue when IE6 not in full window display mod.
- Changed word-wrap: break-word; to word-wrap: normal; in body div in main.css file.
- Modified each Snapshot design's Info.plist file to include built-in image width resizing. No need to use extra KTScaledImageTypes.plist files from earlier Snapshot design versions any more.
- Added in new placeholder image.
- Updated License and Credits files.
- Updated Snapshot designs readme files.

Version 2.0 - Released 09-26-08

- Added new Blueball Snapshot Orange and Blueball Snapshot Orange Wide designs to Blueball Snapshot Designs Bundle for Sandvox 1.5 and above.

Version 1.0 - Released 09-04-08

- GM release of Blueball Snapshot Designs Bundle for Sandvox 1.5

If you have any questions or find any bugs with any of these Sandvox designs, please email us at themesupport@blueballdesign.com so we can get them corrected.

Your continued support of our Sandvox Design development efforts for Sandvox is greatly appreciated. We strive to provide you with the highest quality Sandvox designs available. If you can see anything we can do to make your experience with our designs better, please email us your suggestions and comments using our contact form page.

Best,
Charlie
